# League Mission Statement

The Skagit Symphony League is a volunteer organization dedicated to the support of the Skagit Symphony orchestra through promotional, educational and fund-raising activities.

## Objectives

- To support the mission of the Skagit Symphony.
- To increase public awareness of the Skagit Symphony.
- To promote music appreciation and educational opportunities throughout the community.
- To explore, organize, promote and sustain fund-raising events.
- To develop and maintain a strong volunteer corps.

## About Us

The Skagit Symphony originally began as the Skagit Valley College Community Orchestra in December of 1961. As time progressed we separated from the SVC Foundation and became an independent, non-profit organization. Our music directors have included our founder, Charles Easton, Norm Graham, Vicki Archer, Dr. Paul Stoner, and Kathleen Ash Barraclough.

In 2005, Music Director, Roupen Shakarian, ascended the podium and has charmed the orchestra, board and audience into the Symphony's most well attended concert season yet.

The success of the Skagit Symphony League depends entirely on the enthusiasm of our members. We invite you to join us as we begin our new season of wonderful music and fun special events. Through the efforts of League members, we hope to provide vital financial and volunteer support to the Skagit Symphony.

## Enrich your Life

Symphony League members meet new friends, try new skills and enjoy some behind the house interaction with our orchestra members and board. The League Volunteers share their time and talents and are an important part of making classical music possible for our community.

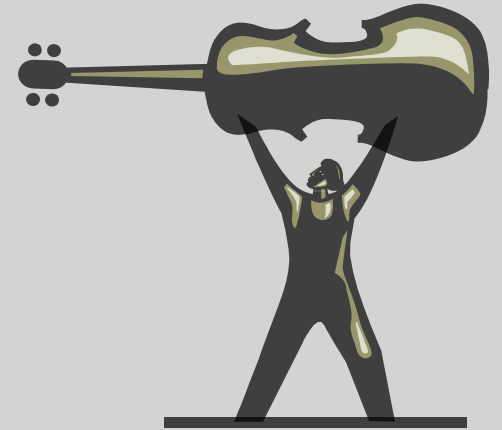

## Join the League!

Call the Skagit Symphony at 360.848.9336 or email us at [execdir@skagitsymphony.com](mailto:execdir@skagitsymphony.com) to put your talents and ideas to work! We could use your help today.

## Benefits of Joining the SS League

League members are volunteer ambassadors for the Skagit Symphony, sharing its wonder with friends and family, sharing their ideas and energy with the orchestra, board and staff, and supporting the symphony's mission of providing Skagit Valley with high quality classical music, now and for decades to come.
